The Middleton is a one-story 2400 sq foot home with four bedrooms and three full baths. You will enter this home from the inviting front porch with bricked steps and a hanging gas lantern into the foyer / dining room which will lead you into the open living and kitchen. The dining room is separated from the foyer and living room by exposed beams and has gorgeous views of the front porch and brings in a ton of natural light. The living room is centered around a vent-less gas fireplace with a granite surround and has the “option” to add custom built-in wall units. The gourmet kitchen features custom painted cabinets with 5” cabinet hardware pulls, a large center island with sink and over-hanging pendant lights, stainless appliances including a 36” gas cooktop with single wall oven, Carrara Blanco quartz countertops and a white picket tile backsplash, custom pot filler and a walk-in corner pantry. The master suite is privately located at the rear of the home and features a spa like master bath which includes a separate soaking tub, custom tiled shower, dual vanities and a huge walk-in closet. Bedrooms two and three share a full bath and bedroom four has it’s own bathroom. The large utility room with a linen closet and an optional mud bench area located off the garage entry. Stunning engineered hard wood flooring throughout the open living areas, plush carpet in the bedrooms and oversized tile in all wet areas. The spacious courtyard porch is covered and is set up with plumbing, gas line and drain for future outdoor kitchen! The yard is professionally landscaped and fully sodded!
